PETITION FOR EXTENSION OF TIME

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant hereby petitions the Commissioner of Patents and Trademarks to extend the time for filing the Appeal Brief in response to the Notice of Appeal received by the Patent Office on April 11, 2005 (mailed April 6, 2005) in the above-entitled application for four months, from June 11, 2005, to October 11, 2005. Applicant requests this extension to permit filing of a continuation application enclosed herewith.

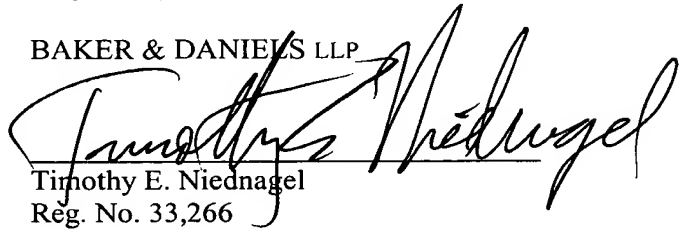

Certain claim limitations in this pending application are similar to claim limitations at issue in pending litigation in the matter of Charles E. Hill & Associates, Inc. v. Amazon.com, et al., Civil Action No. 2:02-CV-0186, in the Eastern Division of Texas. A claim construction hearing was held on August 19, 2005. An order from the Court on claim construction may be relevant to the present application. Accordingly, Applicant will abandon this application in favor of the continuation enclosed herewith without prejudice or disclaimer of the subject matter contained therein. Applicant will pursue the claims in this application, or similar claims, after claim construction in the pending litigation is completed.

Applicant submits herewith a check in the amount of \$795.00 which is the small entity four month Extension of Time Fee required by 37 C.F.R. §1.17(a)(4). Applicant has enclosed herewith a Notice of Loss of Entitlement of Small Entity Status. However, since

small entity status was properly established at the time of filing the application, Applicant believes he may still pay the small entity fee for the extension of time. If the enclosed remittance is insufficient, please charge any additional amount required to Deposit Account No. 02-0390, Baker & Daniels.

Respectfully submitted,

BAKER & DANIELS LLP
